

Quality, Security, Safety, Occupational Health, Environment, and Business Continuity Policy

PTT Global Chemical Public Company Limited aspires to be the Leading International Chemical Company that harnesses innovation and environmentally-friendly technology in striving towards becoming the role model organization that develops and sustainably grows with determined responsibility to the economy, society, and environment in which we are present. GC is committed to continually enhancing our effectiveness in the management of Quality, Security, Safety, Occupational Health, the Environment, and Business Continuity, by adhering to the following principles:

1. Observe and adhere to legal requirements in Quality, Security, Safety, Occupational Health, the Environment, and Business Continuity, as well as observing standards, rules, regulations, and other related international requirements.
2. Manage Quality throughout the entire organization by employing Quality, Knowledge, and Productivity Management tools, to satisfy our customers' requirements while advancing innovations that are environmentally-friendly.
3. Manage risks to prevent hazards, work-related illnesses, loss from accidents, injuries, property damages, and promoting a B-CAREs Safety Culture, as well as Process Safety Management (PSM), to assure and care for the Safety of all.
4. Exercise awareness and alertness for security threats and setting up emergency management guidelines to protect the lives of staff and company assets, information, and business continuity.
5. Exercise due care in occupational health and work-place environment and promoting a good health and work-life balance.
6. Assess and prevent detriment to the environment and ecosystem, preserve biodiversity via an integrated environmental management system encompassing energy, air, water, and waste management, apply Circular Economy principles, which sustainably and efficiently optimize resources utilization throughout the supply chain, maintain efficiency in reduction of greenhouse gasses, improve adaptability to climate change, with focus on fortifying an environmental culture, by communicating to and encouraging all employees and stakeholders to be conscientious of and contribute to GC's environmental culture.

Executives and employees at all levels must be accountable for achieving objectives and goals of GC, as well as being a role model in the development and perpetuation of the Quality, Security, Safety, Occupational Health, Environment, and Business Continuity Management System, provide sufficient resources to enable all staff to be able to take part in and contribute to the adoption of policies and putting them into action as well as communicating these policies to all related parties to achieve internal and intra-organizational collaboration, for the sustainability of the organization henceforth.

Given on this day, 1 December 2019.
