Procurement Policy

PTT Global Chemical Public Company Limited (“Company”) aims to be a Leading Global Chemical Company for Better Living. The Company realizes that procurement process and supplier relationship management are an important part of a sustainable supply chain management. To achieve the Company’s vision and create confidence to stakeholders throughout a transparent, fair and auditable process, procurement policy is identified with the following principles:-

1. Implement procurement processes and supplier relationship management to comply with laws, Company’s Policy, Regulations, Rules, and other related standards.
2. Maintain sustainable procurement by ensuring the compliance and application of Business Ethics, Occupational Health, Safety, Environmental, Social and Corporate Governance (ESG) along with Supplier Code of Conduct (SCOC), local community support and Green procurement activities.
3. Develop and strengthen relationship with suppliers who demonstrate commitment in adhering to our core values.
4. Conduct procurement processes transparently, treat suppliers equally and non- conflict of interest by enforcing the anti-corruption and no gift policy.
5. Support and create procurement collaboration among companies in PTT Group and GC Group to maximize the group benefit.
6. Assess and manage procurement supply risk including cost optimization and deliverables to ensure business continuity.
7. Apply superior solution from technology to develop performance, leading to procurement excellence.

All management levels and procurement employees are accountable to support and implement strictly the procurement policy.

Given this day, 1st June 2021
