

Mr. Patiparn Sukorndhaman

Chief Operating Officer
Downstream Petrochemical Business

Readiness

GC will be ready for no single-use plastics bag (150KT to zero in 2023)

Collaboration

GC collaborates with local partners for Bio-plastics alternatives (Bag / Straw / Tray / Cup)

Durable Products

GC moves to Durable products (Pipe / Cables / Blow); maximizing longevity of plastics

Recycling Plant

GC invests in Recycling Plant (rPET, rHDPE)

Bio-Plastics

GC owns leading Bio-Plastics (PLA / PBS)

Bio-Complex

GC invests in Bio-Complex in Thailand, a major step for Circular Economy

Readiness

GC will be ready for no single-use plastics bag (150KT to zero in 2023)

Durable Products

GC moves to Durable products (Pipe / Cables / Blow); maximizing longevity of plastics

Bio-Plastics

GC owns leading Bio-Plastics
(PLA / PBS)

Collaboration

GC collaborates with local
partners for Bio-plastics
alternatives (Bag / Straw / Tray /
Cup)

Recycling Plant

GC invests in Recycling Plant
(rPET, rHDPE)

Bio-Complex

GC invests in Bio-Complex in
Thailand, a major step for
Circular Economy
