

THAILAND PPP PLASTIC

THAILAND PUBLIC PRIVATE PARTNERSHIP FOR PLASTIC AND WASTE MANAGEMENT

Yr 1

June 5, 2018

To address Thailand plastic marine debris, 15 organizations have joined the project and signed the MOU.

The main goal is to reduce Thailand ocean plastic waste at least **50%** by 2027.

Thailand PPP Plastic has been initiated since 2018 to emphasize the intention and commitment among Thai Government, private sectors, and NGOs to solve plastic waste issue.

June 5, 2019

With increasing concerns
on plastic issues,

33 organizations

have committed to join the
collaboration.

Zero plastic waste with circular economy
